Lesson 3 - Corners Repeat Tool

Open the Software

1. **Open** the software by **double-clicking** on the **Floriani** software icon.

Open A Design

1. Click **File** from the menu bar and then click **Open**. *This will open the Open File window that allows you to search for a design loaded on your computer.*
2. Click the **down arrow** on the right side of the **Look in:** dropdown box. Then, select **Local Disk (C:)**.
3. Next, select the **Floriani** folder by double mouse clicking on it.
4. Open the **Designs** folder by double-clicking on it.
5. Then, open the **Free Monthly Designs** folder by double-clicking on it.
6. Now open the **May** folder by double-clicking on it.
7. Next, open the **May2010** folder by double-clicking on it.
8. Finally, select the **Floral2.waf** file and then click **Open**. This will load the design into the software.

Apply Repeat Corners Feature

1. Turn on **3D** view
2. Select the entire design.
3. Next, select the **Repeat Corners** icon to open the dialog box.
4. Apply the following settings to the design:
   - Horizontal distance (in): 0.5
   - Vertical distance (in): 0.5
   - Angle: 208
5. Check box for Auto resequence by color.
6. Click **Apply**.
7. Then, click **OK** to view the design.

Save the Design

1. Select **File** from the menu bar and then select **Save As**.
2. Save the file in the following folder: C:\Floriani\Designs\00_FTCU LESSONS\01_General Lessons\03_Tools for Embellishing\
3. Name the file **TFEMB_03**, choose **WAF** for the format, and then click **Save**.
