Lesson 2 - Standard and Vertical Text

In this lesson, we will be creating horizontal and vertical text.

Open the Software

1. **Open** the software by **double-clicking** on the **Floriani** icon on your desktop.
2. When the **My Floriani Today** window appears, select the **Create A New Design** button to open a new design.

Add Standard and Vertical Text to the Design Page

1. Using the zoom box, change the zoom percentage to **75%**.
2. Click the **Text** icon and select the Text tool.
3. Left-click on the design page to add text.
4. With the default text on the screen and active, type **onderland** in the text input box.
5. Next, apply the following settings to the text:
   - Font: All Curled Up
   - Height (in): 0.75
   - Press Apply.
6. With the Text tool active, click on a blank area of the screen to insert text.
7. 9. With the default text on the screen and active, type **cicles** in the text input box.
8. Next, apply the following settings to the text:
   - Font: Spots
   - Height (in): 0.79
   - Press Apply.
9. With the Text tool active, click on a blank area of the screen to insert text.
10. With the default text on the screen and active, type **oel** in the text input box.
11. Next, apply the following settings to the text:
    - Font: Serenity
    - Height (in): 0.79
    - Press Apply.
12. With the Text tool active, click on a blank area of the screen to insert text.
13. With the default text on the screen and active, type **oboggans** in the text input box.
14. Next, apply the following settings to the text:
    - Font: Temotoe
    - Height (in): 0.79
    - Press Apply.
15. With the Text tool active, click on a blank area of the screen to insert text.
16. With the default text on the screen and active, type **earmuffs** in the text input box.
17. Next apply the following settings to the text:
    - Font: Toffee
    - Height (in): 0.47
    - Press Apply.
18. With the Text tool active, click on a blank area of the screen to insert text.
19. With the default text on the screen and active, type **eindeer** in the text input box.
20. Next, apply the following settings to the text:

- Font: Sydney
- Height (in): 0.79
- Press Apply.

21. Click on the **Select** tool to deactivate the text tool.
22. 24. Next, click the **Text** icon and then select the **Vertical** text tool.
23. Click on a blank area of the screen to insert text.
24. Type **winter** (lower case) in the text input box.
25. Next, apply the following settings to the text:
- Font: Seasonal
- Height (in): 1.00
- Line spacing %: 25
- Press Apply.

26. Now, place all the words so the design looks like the following:

27. Select all the text objects and apply color **363 Columbia Blue** from the **Floriani Poly** thread chart.

Save the Design

1. Select **File** from the menu bar and then select **Save As**.
2. Save the file in the following folder: C:\Floriani\Designs\00_FTCU LESSONS\01_General Lessons\04_Tools for Personalization\
3. Name the file **TFP_02**, choose **WAF** for the format, and then click **Save**.
