Lesson 7 - Font Play

In this lesson, we will be using the Font Play feature.

Open the Software

1. **Open** the software by **double-clicking** on the **Floriani** icon on your desktop.
2. When the **My Floriani Today** window appears, select the **Create A New Design** button to open a new design.

Open the Font Play Window

1. Click the **Font Play** icon to open its dialog box.
2. Make sure **Embroidery** is selected for the **Font Type**.
3. Click on the **Ana** font to select it.
4. Next, click the dial next to **Custom** in the **Settings** area. This will open the text box that allows you to input text.
5. Type the following in the box: **Happy New Year 2021**.
6. Click **OK** to add the text.
7. Next, click the dial next to **3D View** in the **Settings** area so you can view the text in a realistic view.
8. Click on the color box and then do the following inside the **Import Color** dialog box.
   - Select **Floriani Poly** from the drop-down list to select that thread chart.
   - Scroll to the bottom of the color swatches.
   - Select the **last colo**r in the thread chart: **Colony Blue (310)**.
   - Next, press **Import** to apply that color to the preview text.
9. Now, select **Script** from the **Filter:** drop-down list under the font type.
10. Click on the **Anniversary** font from the **font list** to select it. This will preview the text in that font style.
11. Next, click on each of the fonts one at a time to preview what your words look like in that font.
12. Now, select **All Fonts** from the **Filter:** drop-down list. Then, select font Wellesley.
13. Click **Import** to load the words in that font into the design page.

Save the Design

1. Select **File** from the menu bar and then select **Save As**.
2. Save the file in the following folder: C:\Floriani\Designs\00_FTCU LESSONS\01_General Lessons\04_Tools for Personalization\
3. Name the file **TFP_07**, choose **WAF** for the format, and then click **Save**.
