Change the Monogram Letters

1. Select the Monogram text.
2. Next, change the 3 letters to whatever you want to use. Then, press Apply.
3. Make sure 3D view is on so you can see the stitches in realistic view.

Auto Nap Blocker

1. Select all objects in the design.
2. Next, click on the Auto Nap Blocker tool. This will automatically create a fill pattern that stitches first in the design. This is designed to lay the stitches down in a way to knock the nap of towels down and prevent them from pocking through. This ensures the design will always show clearly.
3. Assuming the towel will be white, change the color of the Auto Nap fill to a White.

Save the Design

1. Select **File** from the menu bar and then select **Save As**.
2. Save the file in the following folder: C:\Floriani\Designs\00_FTCU LESSONS\03_Technique Lessons\
3. Name the file **TL_05**, choose **WAF** for the format, and then click **Save**.
